ADOPT-A-SPOT LITTER CONTROL PROGRAM

PURPOSE: To gather the support of business, industry, civic, youth, religious groups, as well as, individuals, in controlling the litter problem by their adopting county/city shared access areas, such as parks, ball fields, and trails. The adopted spot (s) will be periodically cleaned to foster a clean, healthy and more beautiful environment, to encourage community spirit, and to promote growth and development in Nassau County.

REQUIREMENTS:

1. The adopting group shall:
 - a. Complete the attached Agreement.
 - b. Pick up litter in assigned spot at least once per quarter.
 - c. Follow the safety precautions outline on the attached sheet during each clean-up.
 - d. Agree to maintain assigned spot for a period of four years.
 - e. Report to KNB before each clean-up: The date, time, and location of clean-up.
 - f. Report to KNB after each clean-up: approximate amount and type of trash collected; the number of volunteers who worked and the total hours volunteered. This data is needed to support KNB funding requests, measure the program effectiveness, and reporting requirements.
 - g. Designate an individual to be the point of contact between the organization and KNB.
 - h. Publicize their involvement in the Adopt-A-Spot program and encourage other organizations to become involved.

2. Keep Nassau Beautiful shall:
 - a. Publicize the Adopt-A-Spot Litter Control Program.
 - b. Recognize the participating organizations.
 - c. Provide trash bags and rubber gloves for clean-ups.
