## Ashley Powell

Ashley Powell, PMP, MBA, LEED AP BD+C, ID+C, GGP is the Principal at Building It Green. With nearly twenty years of experience in the residential and commercial construction industries, she coordinates and manages green building and LEED projects with building owners, contractors, architects and engineers.

She is also deeply passionate about educating the community on green building practices. She spends time assisting and heading up green community service projects which includes her efforts on the boards for Keep Nassau Beautiful and USGBC (Northeast Florida region).

She graduated from Georgia Tech with a degree in Civil Engineering and later received her MBA from the University of North Florida.
