Homeowner's Donate to Planting Nassau's Future and Beautify the Neighborhood

*Two Live Oak trees have been planted with donations to Keep Nassau Beautiful and the Legacy
Tree project*

Amelia Island, Florida, March 27, 2020 – Liberty Landscape Supply and Martex Services partnered with Keep Nassau Beautiful to plant two live oak trees in the common property of a local Fernandina Beach community. The Homeowners Association was in process of refreshing a common area on the property and homeowners approached the Board for approval to plant donated trees to the landscaped area. The trees were planted without ceremony or large groups.

“Public response to our newest program, Planting Nassau's Future, has been fantastic,” said Lynda Bell, Executive Director for Keep Nassau Beautiful. “Donations may be earmarked for specific tree planting projects and then we work to make them happen.”

For more information www.KeepNassauBeautiful.org or 261-0165.

Planting Nassau's Future matches donations to spaces that are right for the health of the tree.

Planting Nassau's Future with donations made to Keep Nassau Beautiful.

Donations to Keep Nassau Beautiful were used to beautify a local community common area with the planting of two live oak trees.
