

A KEEP NASSAU BEAUTIFUL PROGRAM

Planting Nassau's Future

Planting Nassau's Future is a Keep Nassau Beautiful program. The primary mission of the program is to beautify spaces in Nassau County.

Your tax-deductible donation will plant a legacy tree and help fund the planting of trees throughout Nassau County.

LEGACY TREE DONATION DETAILS

A Donation to Plant Trees

Individuals, families or organizations wishing to donate towards the planting of a larger tree on pre-approved private or public property may arrange for the planting of a Legacy Tree through Keep Nassau Beautiful. Donors contributing to the Legacy Tree project may choose to receive public recognition or make their donation privately.

Tax-deductible donations may be made in three levels. Your gift covers the cost of the tree, water-bag, mulch, delivery and installation. 100% of donations to this project are earmarked to support the planting of trees in Nassau County.

\$500.00 10' to 12' tree*

\$750.00 12' to 15' tree*

\$1,000.00 15' to 18' tree*

* Species specific to the property location, soil, sun/shade and hydration.

Through this project, public locations in Nassau County are made available for the planting of donated trees. Keep Nassau Beautiful will match your donation to a location and tree species and then notify you of the date and location your donated tree will be planted. Contact KNB@KeepNassauBeautiful.org with questions.
