

Free Tree Drive-through Event — January 2021

How to Get Your Free Tree(s)*

In celebration of Florida Arbor Day, Nassau County residents are invited to receive up to two of our 3-gallon trees at a free drive-through Adopt-A-Tree event in January 2021. To receive free trees, residents must complete these easy steps:

1. Review [tree fact sheets](#) to select the right tree species for your location,
2. Review an [educational YouTube video](#) to receive your special validation code,
3. After receiving the validation code, complete the on-line [free tree reservation form](#) where you will select your preferred tree species and a location to pick-up your free trees. When the registration is complete, you will receive a voucher via email.
4. On the day of the event, drop by the drive-through event and volunteers will hand you your trees in exchange for the Keep Nassau Beautiful (KNB) free tree voucher.
5. Plant your trees, water them according to guidelines, and watch them grow!

* Proof of Nassau County residency and a KNB tree voucher are required to pick-up free tree(s). Quantity limited to 500 Free Trees.

Drive-through Dates, Locations, Time of Event

Free Tree Drive through Event—January 2021

Species Selection—Choose the Right Tree for the Right Place

Species selection is important for good health and longevity of your tree. Consider conditions in your planting location before you select your tree. We suggest you review [UF/IFAS Tree Fact Sheets](#) for available species to select the right tree for your planting location.
