

KEEP NASSAU BEAUTIFUL

We did beautiful things in 2019!

We thank you for your support and hard work.

2019 was a great year for Keep Nassau Beautiful and Nassau County residents and visitors. Working together we produced impressive results:

5,000

**TOTAL
VOLUNTEER
HOURS**

Which translates into 625 working days and an economic value of \$80K.

78,000 LBS

**LITTER, WASTE &
RECYCABLES
COLLECTED**

Which prevents harmful effects to the environment and wildlife.

36,000 LBS

**HOUSEHOLD
HAZARDOUS WASTE
COLLECTED**

Which prevents harmful effects to the environment and landfill contamination.

How we did it:

Litter and Waste Reduction—with help from our Adopt Program partners and volunteers; state, county and city partners that provide funds; community and beach cleanup partners and volunteers.

Increase in Recycling—through waste disposal partners who provide recycle carts for key events; state, county and city partners that provide funds; local schools who provide time in the classroom or during assembly; many organizations that provide opportunities for adult education.

Beautifying Spaces—thanks to generous sponsors and state, county and city partners that provide funds, in-kind support, and volunteer hours for youth events at local schools.

Sponsors, Partners and Volunteers—these are the people and organizations who so willingly give of their time and resources and support the mission of Keep Nassau Beautiful!

2020 will be even bigger!

Planting Nassau's Future is a new program and our first projects are **Adopt-A-Tree** and **Legacy Tree**, which seek to plant more than 300 trees throughout Nassau County.

Get Involved to support programs and projects that reduce litter and waste, increase awareness of the 4-R's (refuse, reduce, reuse and recycle) and beautify spaces in Nassau County!
