8 Flags Chiropractic Keeps Nassau Beautiful

*Donating a portion of sales and organizing
a litter cleanup to beautify Amelia Island.*

Fernandina Beach, Florida, August 26, 2021. – 8 Flags Chiropractic recently earmarked a portion of sales to support the mission of Keep Nassau Beautiful. Their commitment reached beyond a portion of sales to include organizing a local cleanup of the streets, parks and parking lots of areas around their office off 14th street. On July 29, 13 volunteers joined the 8 Flags Chiropractic team in a cleanup where more than 190 pounds of litter and debris were collected. The cleanup focused on several blighted areas with a high concentration of litter.

“The team at 8 Flags Chiropractic sets the bar for community service and helping Keep Nassau Beautiful continue its work to beautify Nassau County,” said Lynda Bell, Executive Director KNB.
