

COMMUNITY SERVICE PROGRAM

Keep Nassau Beautiful, Inc. (KNB) is pleased to support residents and students who spend time in community service to help keep roadways, parks and waterways in Nassau County, Florida clean, green and beautiful. KNB posts activities on its website and encourages participants to engage in planned community service projects.

KNB may approve individual community service hours when the following steps are followed*:

- The participant signs the Keep Nassau Beautiful Volunteer Waiver, following or online: <https://forms.gle/y2xngkzyTEPX6yWg6> .
- The participant follows safety guidelines, wears a safety vest or other brightly colored clothing, or posting a safety sign during a roadway cleanup or cleanup of a high traffic location. KNB recommends participants use litter pick up tools (grabbers).
- Jointly the participant and KNB agree on areas to be cleaned of litter and debris. KNB expects one litterbag of trash to be collected at a minimum of one bag per hour of community service.
- Cleanup events:
 - The participant collects and properly disposes of litter and debris collected and contacts Keep Nassau Beautiful with the location of hazardous waste or items too large to be collected or disposed of in available trash bins.
 - The participant may use either email or text to send a photo to Keep Nassau Beautiful of the area to be cleaned prior to the start of a cleanup and a photo at conclusion of the cleanup. The photos are documentation of the start and end of service hours for the event.
 - If the participant cannot follow the guidelines using photographs, KNB may request the participant records walked time and distance using a free app available for iOS or android, Under Armor's Map My Walk <https://www.mapmywalk.com/app>, and forwards information to KNB to verify hours and location.
 - Using either email or text, send a photo to Keep Nassau Beautiful of the collected trash bags prior to their disposal at the end of a cleanup. The photo is documentation of the litter collected for the event.

KNB will provide a service hour verification form monthly. The verification form and letter will be sent via email to the participant.

Thank you for helping keep Nassau County clean, green and beautiful!

* KNB reserves the right to deny participation in the Community Service Program when requirements and guidelines cannot or are not met.

VOLUNTEER GUIDELINES

- Sign and return this form prior to beginning Individual Community Service under this program. A signed waiver must be received to participate in Individual Community Service with KNB.
- You may be working in sunny, hot, wet, and dirty conditions and, in some cases, areas where there is heavy brush. It is strongly recommended that you wear protective clothing, closed-toe shoes or boots, and a hat for sun protection. Insect repellent and sunscreen are also strongly recommended.
- Wear a safety vest or other brightly colored clothing or post a safety sign during individual community service cleanup events.
- Wear gloves and use caution when picking up sharp objects. Watch out for broken glass and metal.
- Remove litter and debris during daylight hours only.
- For safety reasons, do not pick up litter while on bicycles, skateboards, or hover boards.
- No consumption of intoxicating liquids, beverages, or illegal drugs is allowed.
- Do not pick up any type of hypodermic needle or other hazardous waste such as paint, used motor oil, automobile batteries, etc. Note the location of these items and notify the KNB Executive Director.
- Do not approach large objects, such as drums, or lift anything too heavy. Report the location of large debris such as drums, motors, and appliances.
- Avoid suspected hazardous substances or areas where herbicides were recently applied.
- Avoid areas where snakes, fire ants, jellyfish, crabs, or other potentially dangerous species may be located. If you encounter domestic animals the best policy is to avoid them and leave them alone.
- Participants collect and properly dispose of litter and debris collected during Individual Community Service and contact KNB with the location of hazardous waste or items too large to be collected or disposed of in available trash bins.

THANK YOU FOR CONTRIBUTING TO THE CARE OF OUR ENVIRONMENT!
