## **Household Hazardous Waste, Recycle Event and Food Drive**

The City of Fernandina Beach is excited to host its annual household hazardous waste/recycle event and food drive on Saturday, April 22, from 8:00am until 12:00pm, at the Public Works complex (1017 S. 5<sup>th</sup> Street). This event is intended for residents only, not for commercial use.

Acceptable items include aluminum cans; appliances; batteries; cardboard; electronics; filters; fluorescent bulbs; glass/plastic bottles; hazardous chemicals; paint; propane tanks; scrap metal; tires (4 per household); waste oil. Paper shredding will also be available.

Participants are asked to bring non-perishable food items to donate to the Barnabas food pantry. In years past, over 900 vehicles visited the City's Public Works complex for this event. We appreciate your cooperation and patience on this special day.
