FOR IMMEDIATE RELEASE

Keep Nassau Beautiful Announces Annual Board Recruitment Campaign

NASSAU COUNTY, Florida, July 8, 2023 – Keep Nassau Beautiful today announced the opening of its summer board recruitment campaign running now through July 31, 2023.

Keep Nassau Beautiful, a 501(c)(3) non-profit organization, is seeking new board members who bring diversity, fresh energy, and a passion for community service. These newest board members will join our team's 2-year board member rotation. In addition to attending Board of Directors meetings, board members are expected to join Keep Nassau Beautiful, attend two or more volunteer events per year, and actively participate in one of the organization's standing committees supporting programs, including Wild Amelia and Planting Nassau's Future.

"When I moved to Nassau County in 2019, I learned about Keep Nassau Beautiful and reached out – and I'm so glad I did. It's been a wonderful way to meet new people, participate in great events, and make a positive contribution to my community," says Kelley McCarter, a second-term KNB Board Member from Yulee, FL.

New board members are eligible to seek officer positions after one year of satisfactory service. Directors find that they gain valuable experience while positively impacting Nassau County communities. While board members serve in a volunteer capacity, they are provided liability insurance with respect to their roles on the board.

To obtain a copy of the complete roles and responsibilities of Keep Nassau Beautiful board members and the board member application form visit <https://keepnassaubeautiful.org/> or contact the Nomination Committee Chair at knb@keepnassaubeautiful.org.

About Keep Nassau Beautiful:

For over 30 years, Keep Nassau Beautiful has educated and engaged Nassau County residents to protect the environment, reduce litter and waste, and improve the appearance of their communities. Some of the initiatives we oversee are Wild Amelia, Adopt-A-Road, Household Hazardous Waste Collection, and Planting Nassau's Future. We aim to make every beach, park, playground, and public space a clean and safe area for community members. To volunteer, donate, or learn more, visit: www.keepnassaubeautiful.org
