KEEP AMERICA BEAUTIFUL AFFILIATE

2023 ANNUAL REPORT

A Year of Recognition

With widespread adoption of our limited-edition aluminum cups across Nassau County, more than 59,000 infinitely recyclable, reusable aluminum cups have replaced single-use plastic alternatives. Keep Nassau Beautiful is honored to have received recognition for its work: Awarded **2023 Outstanding Project** from Keep Florida Beautiful, nominated for **2023 Non-Profit of the Year** by the Nassau County Chamber of Commerce, and recognized by Nassau County Board of County Commissioners for its accomplishment.

In the community we continue to grow our volunteer base for supporting waste reduction efforts, expand education programs across all ages, and sharpen focus toward meaningful change in support of our mission. We are grateful to the many volunteers, businesses and partners who work with us and financially support the Keep Nassau Beautiful mission to keep Nassau County clean, green and beautiful.

Our Mission

Keep Nassau Beautiful conducts and promotes activities and educational opportunities that foster a personal appreciation of, pride in, and responsibility for the natural beauty of Nassau County.

Executive Director Lynda Bell and Chair Josh Baker display the KFB 2023 Outstanding Project Award

Volunteers at a recent KNB Clean Up

- Lynda Bell, Executive Director

A special thank you to our **#RefillNassauFL** partners, local restaurants, sponsors and individuals for joining with us in reducing single-use plastic, increasing reuse, and improving recycling.

6,707 Volunteer Hours

75.6 Tons of Waste

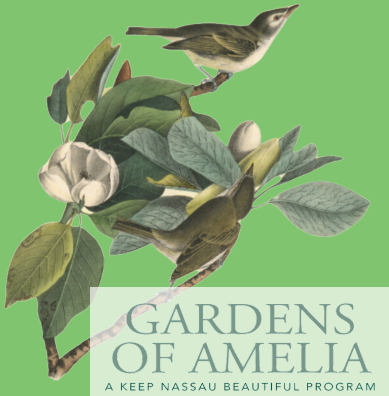

9,085 People Educated

1,037 Trees Planted

Keep Nassau Beautiful programs resulted in an economic benefit of more than \$194,000, prevented landfill contamination and harmful environmental impacts, raised awareness and encouraged behavior change, and helped reduce carbon dioxide levels and severity of storm-related damage.

Preserving, Protecting and Expanding our Tree Canopy

Keep Nassau Beautiful continues to deliver innovative programs with the first of its kind **Gardens of Amelia**. Working with local businesses and property owners through ArbNet, we will accredit arboreta to raise awareness and celebrate the unique horticultural collections of Nassau County.

Scan the QR code below for a list of the accredited sites and how to get involved in conservation and preservation of trees and woody species.
