

March 20, 2024

Hello, Nassau County! My name is Veronica Jarman, and I am a 33-year-old mom and wife! I have spent my entire life here in Nassau County. I am a 2009 graduate of Fernandina Beach High School – Go Pirates! I hold an Associates in Science degree from Florida State College at Jacksonville in Criminal Justice, and I currently work for the Nassau County Property Appraiser’s Office. I am also a member of Leadership Nassau Class 23.

In my professional life, I have been with the Nassau County Property Appraiser’s Office since 2013 where I started in the Customer Service and Exemptions Department. Through the years, I have seen many people move to Nassau County and experience their joy and immediate love for our community. It has reminded me time and time again not to take our community and its resources for granted.

In my personal life, I enjoy spending time at the beach looking for sharks’ teeth and going to Fort Clinch. I also find great joy watching my son play sports and going to watch the Jacksonville Icemen play. As a family, we enjoy traveling and exploring the outdoors.

I look forward to serving with Keep Nassau Beautiful and the amazing programs they offer!

Veronica Jarman
